### **2017 WOODEN BOAT FESTIVAL**

**July 15, 2017 Huddy Park**

**9 am to 3 pm Toms River, NJ**

The Toms River Seaport Society & Maritime Museum is extending this invitation to sign up for space at our annual Wooden Boat Festival. We are requesting art and merchandise be maritime related. This is a one day, rain or shine, event along the waterfront at Huddy Park. We are again sharing the day with the NJ State Ice Cream Festival, held on Washington Street, one block from Huddy Park. This festival draws up to 5,000 people. Simply print out the attached Maritime Dealers and Crafters Application/Contract and mail your completed form and check to the Seaport. Detailed information regarding the event, security and setup times are available on our website: [www.tomsriverseaport.org](http://www.tomsriverseaport.org)

We look forward to your participation in our event.
